

# Silent Crisis Insight Dashboard: Women in National Private Industry Companies Top Leadership

## 2007-2017\* Women as Executives/Senior-Level Officials & Managers in National Private Industry

Overall, women have made no real progress in Executive/Senior-Level Officials & Managers representation in national private industry companies between 2007 and 2017. Women's increase in participation at those levels was a dismal 1.83 percent over more than a decade. At the current annual percent of change women will still hold less than a third of Executive/Senior-Level Officials & Managers positions in 2027.
